The New Master Key System (Library of Hidden Knowledge) by Charles F. Haanel ISBN 1582701903

*The Master Key System* teaches its readers that everything around us was first developed as a thought. Thought, therefore, is the powerful catalyst towards making any idea a reality. Based upon the principle of using thought as the manifestation of creative energy, *The Master Key System* instructs the reader on how to use the power of these thoughts to realize your dreams.

Divided into twenty-four sections with exercises in each section to train and develop your mental skills, *The Master Key System* is to be read at the slow pace of one chapter per week. Take your time, re-read each section and memorize its contents before moving on to the next. Follow these steps and watch your thoughts turn into reality.
