All Was Right In the World... Until

Nestled in Barcelona, Archie and Bernard spend their time enjoying their surroundings and their freedom. Warm days, warm nights, good company and smooth life, spending their time exploring their own bodies, and others'. All is right with the world.

Until the call that brings them back to Georgia, and a horrible truth.

Faced with the possibility of living destitute, from place to place, Archie and Bernard must make a decision: will they be forced to separate, to give up their happiness, drawn to different goals and aims? Or will they grow together for it? Will social morals and standards win out, or will it be love?

And when they do decide, will they have the stubbornness to stick to their choices?
