The Great Transformation: Finding Peace of Soul in Troubled Times by Ted Flynn ISBN B00RYEVMXO

THE GREAT TRANSFORMATION is showing the world that there are certain times in history where major events take place that alter the destiny not just of certain nations, but the entire world. The author is saying that due to the confluence of events in all major indices worldwide, we are now at that point. We are now at the doorstep of unprecedented events on the very near horizon that have never happened before in all of history. Heaven has revealed to us the full and entire truth for those willing to listen. The details of what lies ahead has been told to us with spiritual certainty and clarity. No one can doubt that the world is going through tremendous changes at a speed beyond the control of anyone or any nation. The anxiety and stress in our midst is readily apparent to nearly everyone as the world spirals out of control.

We are moving towards a New Springtime, a New Era, and the Second Pentecost. What are the events? What are we to do? How are we to respond? We have been told what lies ahead and how to maintain our composure as people and institutions crumble around us. A blueprint and prescription have been given to us by the Lord for those willing to listen and how we are to respond in these times. The book is not just defining the problems in the world—it gives answers to what ails you. Seven chapters pertain to the subtitle of FINDING PEACE OF SOUL IN TROUBLED TIMES. In many instances there is precise detail about key events soon to happen. God has a plan and adapting to that plan will bring us greater peace. To resist or lack knowledge about what He is doing brings an anxious spirit.

There are quotes from popes, saints, scholars, mystics, apparition sites, Jesus and the Blessed Mother about the days ahead. We can expect to see some spectacular events in the near future—maybe the very near future. There is detail on:

The Warning where all will see the state of their soul as God sees it at judgment
The Ultimate act of God's mercy
The Great Miracle that will change the world forever that has never happened before in Scripture or history
The future of the Church we will barely recognize
The controversy around the Third Secret of Fatima and the Consecration of Russia
The Hope for Mankind, the messages of Divine Mercy
The Consecration to the Immaculate Heart and what it means when it is done
The healing and restoration of families—Heal the family, heal the nation
The Surest and Safest way to the Lord's heart in His own words
Where we are to look for spiritual and physical refuge
The five stones of protection (David defeated the mighty Goliath with a small stone)

This is a book that offers the solutions and answers we need for peace of soul for the events that lie ahead. It is a book about Hope and Peace of Soul no matter the circumstances or chaos around us. No soul is beyond the Lord's mercy. As the Lord told the apostles, "Fear not, it is I."
