After the Fall: A Climber's True Story of Facing Death and Finding Life by Craig DeMartino, Bill Romanelli ISBN 0825442656

Craig DeMartino never thought this would happen to him. He was 100 feet up a cliff in Rocky Mountain National Park when—with one step—his 13 years of rock climbing experience and 15 pounds of gear plummeted with him to the ground. Expert climbers say that if you fall 10 feet you have a 10% chance of dying, a 20% chance at 20 feet, 30% at 30, and so on. Craig fell 100 feet. By basic calculation, Craig should not be alive today. But he is.

For anyone who has been knocked down or run over by life, *After the Fall* not only offers an engaging read but also provides a clear message of hope: sometimes the greatest gift we can receive isn't just healing, but the power to endure.

After the Fall: A Climber's True Story of Facing Death and Finding Life Review
