Assessing for Learning: Building a Sustainable Commitment Across the Institution by Peggy L. Maki ISBN 1579224415

"Peggy Maki's text as a whole represents a comprehensive and realist approach to assessment and constructs a notion of assessment that is an uncommon blend of the pragmatic and sustainable, meaningful and valuable, theoretical and practical. Maki has artistically drawn together esoteric, philosophical foundations with pragmatic, real-world applications from which nearly any assessment practitioner will benefit...The second edition of Assessing for Learning verges on being a seminal work in higher education assessment scholarship."?The Review of Higher Education
