Munchkins of Oz: Revised and Updated by Stephen Cox ISBN 1581822693

In November 1938 a crowd of more than 120 tiny actors ambled through the gates of Metro-Goldwyn-Mayer studios in Hollywood. Headed for the set of one of America's all-time classic movies, *The Wizard of Oz*, they were about to become known as Munchkins.

Few movies have ever achieved the popularity and acclaim of *The Wizard of Oz*. It made the reputations of Judy Garland and many others, but ironically, the diminutive actors and actresses who peopled Munchkinland weren't even listed in the credits. Most of us have never heard their names. Now their story is finally told in a new and revised edition as thirty ex-Munchkins reveal their amazing personal stories.

The Munchkins of Oz offers a fresh perspective on the filming of *The Wizard of Oz* and what went on behind the scenes. We learn about life on the Munchkinland set, how they were recruited,

intimate memories of the stars, and the Munchkins' lives before and after Oz. More than 300 photos, many first published in this book, illustrate and enhance the lively text. ENTERTAINMENT; FILM 300-PLUS B/W ILLUSTRATIONS 8-PAGE COLOR INSERT 8" X 10", 224 PAGES PAPERBACK
