Bible and Cinema: An Introduction by Adele Reinhartz ISBN 0415779480

This is a comprehensive introduction to the ways in which the Bible has been used and represented in mainstream cinema. Adele Reinhartz considers the pervasive use of the Bible in feature films, and the medium of film as part of the Bible's reception history. The book examines how films draw on the Old and New Testament and the figure of Jesus Christ in various direct and indirect ways to develop their plots, characters, and themes. As well as movies that set out explicitly to retell biblical stories in their ancient context, it explores the ways in which contemporary, fictional feature films make use of biblical narrative.

Topics covered include:

- how filmmakers make use of scripture to address and reflect their own time and place.

- the Bible as a vehicle through which films can address social and political issues, reflect human experiences and emotions, explore existential issues such as evil and death, and express themes such as destruction and redemption.
- the role of the Bible as a source of ethics and morality, and how this connection is both perpetuated and undermined in a range of contemporary Hollywood films.
- films that create an experience of transcendence, and the ways in which the Bible figures in that experience.

Reinhartz offers insightful analysis of numerous films including *The Ten Commandments* and *The Shawshank Redemption*, paying attention to visual and aural elements as well as plot, character, and dialogue. Students will find this an invaluable guide to a growing field.

## **Bible and Cinema: An Introduction Review**

This Bible and Cinema: An Introduction book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This kind of Bible and Cinema: An Introduction without we recognize teach the one who looking at it become critical in imagining and analyzing. Don't be worry Bible and Cinema: An Introduction can bring any time you are and not make your tote space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Bible and Cinema: An Introduction having great arrangement in word and layout, so you will not really feel uninterested in reading.
