End of Days by Eric Walters ISBN 0385670060

Another riveting page-turner from Canada's favourite teen author--and this time, the adventure takes place in outer space.

It's 2012 and the world's most renowned astrophysicists, astronomers, and theoretical mathematicians have all died within the same 12-month period. But as these scientists discover, none of them are really dead after all. They have been taken hostage by alien forces. And while their family and friends are mourning their passing, and with the help of a 16-year-old with rare gifts, they face the ultimate struggle of prevailing over evil and returning themselves--and the earth--to safety.
