Violence: Reflections on a National Epidemic by James Gilligan ISBN 0679779124

Drawing on firsthand experience as a prison psychiatrist, his own family history, and literature, Gilligan unveils the motives of men who commit horrifying crimes, men who will not only kill others but destroy themselves rather than suffer a loss of self-respect. With devastating clarity, Gilligan traces the role that shame plays in the etiology of murder and explains why our present penal system only exacerbates it. Brilliantly argued, harrowing in its portraits of the walking dead, **Violence** should be read by anyone concerned with this national epidemic and its widespread consequences.

"Extraordinary. Gilligan's recommendations concerning what does work to prevent violence...are extremely convincing...A wise and careful, enormously instructive book."--Owen Renik, M.D., editor, Psychoanalytic Quarterly

Violence: Reflections on a National Epidemic Review

This Violence: Reflections on a National Epidemic book is not really ordinary book, you have it then the world is in your hands.
