Points of View: Readings in American Government and Politics, 8th edition by ISBN 0072322683

This is a comprehensive collection of articles on the major topics covered in American Government courses. Each topic is selected to reflect current political debates, as well as covering traditional topics of interest in American Government. Topics are covered by two opposing positions, which gives students the framework for analysis of the issues in American politics. The selections are readable and informative, and begin with a clear, concise introduction written by the authors.
