Originally published as the e-novellas *Five's Legacy*, *Return to Paradise*, and *Five's Betrayal*, now, for the first time ever, they are together in one print volume.

Five's Legacy tells the story of Five's early years on Earth when he was just a young teen on the run, discovering his abilities and making the wrong kind of friends.

Return to Paradise picks up in the aftermath of the Mog attack on Ohio and follows Mark James as

he struggles between returning to a normal life and helping John Smith and the others.

Five's Betrayal is the exhilarating continuation of Five's story, in which he joins the Mogadorian ranks and must demonstrate his allegiance to them by helping to destroy the other Lorien survivors.

You know the truth about the Mogadorians' invasion of Earth and the Garde who will do anything to defeat them—yet there is still so much to learn.
