A Walk in the Woods: Rediscovering America on the Appalachian Trail (Official Guides to the Appalachian Trail) by Bill Bryson ISBN 0767902521

A CLASSIC FROM THE *NEW YORK TIMES* BESTSELLING AUTHOR OF *ONE SUMMER*

Back in America after twenty years in Britain, Bill Bryson decided to reacquaint himself with his native country by walking the 2,100-mile Appalachian Trail, which stretches from Georgia to Maine. The AT offers an astonishing landscape of silent forests and sparkling lakes—and to a writer with the comic genius of Bill Bryson, it also provides endless opportunities to witness the majestic silliness of his fellow human beings.

For a start there's the gloriously out-of-shape Stephen Katz, a buddy from Iowa along for the walk. Despite Katz's overwhelming desire to find cozy restaurants, he and Bryson eventually settle into their stride, and while on the trail they meet a bizarre assortment of hilarious characters. But *A Walk in the Woods* is more than just a laugh-out-loud hike. Bryson's acute eye is a wise witness to this beautiful but fragile trail, and as he tells its fascinating history, he makes a moving plea for the conservation of America's last great wilderness. An adventure, a comedy, and a celebration, *A Walk in the Woods* has become a modern classic of travel literature.

A Walk in the Woods: Rediscovering America on the Appalachian Trail (Official Guides to the Appalachian Trail) Review

This A Walk in the Woods: Rediscovering America on the Appalachian Trail (Official Guides to the Appalachian Trail) book is not really ordinary book, you have it then the world is in your hands.
