Richard E. Norman and Race Filmmaking by Barbara Tapa Lupack ISBN 0253010640

In the early 1900s, so-called race filmmakers set out to produce black-oriented pictures to counteract the racist caricatures that had dominated cinema from its inception. Richard E. Norman, a southern-born white filmmaker, was one such pioneer. From humble beginnings as a roving "home talent" filmmaker, recreating photoplays that starred local citizens, Norman would go on to produce high-quality feature-length race pictures. Together with his better-known contemporaries Oscar Micheaux and Noble and George Johnson, Richard E. Norman helped to define early race filmmaking. Making use of unique archival resources, including Norman's personal and professional correspondence, detailed distribution records, and newly discovered original shooting scripts, this book offers a vibrant portrait of race in early cinema.

Richard E. Norman and Race Filmmaking Review

This Richard E. Norman and Race Filmmaking book is not really ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this reserve incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get.
