Squirrel Seeks Chipmunk: A Modest Bestiary by David Sedaris ISBN 1478930233

Featuring David Sedaris's unique blend of hilarity and heart, this new illustrated collection of animal-themed tales is an utter delight. Though the characters may not be human, the situations in these stories bear an uncanny resemblance to the insanity of everyday life.

In "The Toad, the Turtle, and the Duck," three strangers commiserate about animal bureaucracy while waiting in a complaint line. In "Hello Kitty," a cynical feline struggles to sit through his prison-mandated AA meetings. In "The Squirrel and the Chipmunk," a pair of star-crossed lovers is separated by prejudiced family members.

With original illustrations by Ian Falconer, author of the bestselling *Olivia* series of children's books, these stories are David Sedaris at his most observant, poignant, and surprising.
