Vital Signs of a True Believer: Includes 'the best church in the world' by Tommy U Morgan ISBN 8799069431

Mahatma Gandhi once said of Christians, that 'they had been listening to the message of Christ for over 2000 years, without soaking any bit of it, just like a rock at the bottom of the ocean that does not soak even one drop.' Therefore, he concluded his opinion with this quote: "I like your Christ but I do not like your Christians. Your Christians are so unlike your Christ." This book explores the possible reason for Mr. Gandhi's inaccurate understanding and conclusion about Christians, as well as laying out insights on what it truly means to be a Christian. At the end, the reader will see that in Christ, the journey of life is vocational vacation of ultimate thrill that will conclude with a reward of eternal joy with God.
