The Hazel-Atlas Company was established in Washington, Pennsylvania, in 1902 as a result of the merger of the Hazel Glass Company and the neighboring Atlas Glass and Metal Company. Though its corporate offices were located in Wheeling, West Virginia, Hazel-Atlas factories produced machine-made pressed glass throughout the U.S., including Oakland, California; Buffalo, New York; and Ada, Oklahoma. Cathy and Gene Florence, America's leading glassware authorities, have produced a second edition of their popular title devoted to Hazel-Atlas glass. Loaded with hundreds of new pieces and color photographs, the book still retains its organization by categories

(children's dishes, tumblers, food containers, patterns, mugs, bowls, plates, syrups), making it easy for readers to locate items. A handy index is a nice new addition to the book.
