It Started With A House: Lizzie. Book 1 (The Westport Mysteries) by Beth Prentice ISBN B008L2KNEW

Meet Lizzie. She's 31 and having a mid life crisis. So she bought a house. Well, it seemed like a good idea at the time.

But she gets more than she bargained for. She didn't expect the engagement ring, the lazy cat, the stalker or the drop dead gorgeous handyman. But she did already have the crazy family and sex crazed Grandma. So when she decides to find the rings' rightful owner she kind of hoped that the Universe would be on her side. But that would be too easy wouldn't it?

Lucky for Lizzie the Universe seems to know what it's doing.
