Across the Spectrum: Understanding Issues in Evangelical Theology PDF

Across the Spectrum: Understanding Issues in Evangelical Theology by Gregory A. Boyd, Paul R. Eddy ISBN 080103793X

This new edition of a popular text presents an accessible yet comprehensive primer that helps readers understand the breadth of viewpoints on major issues in evangelical theology, with chapters using the popular three- or four-views book format. The authors carefully examine positions taken by evangelical scholars on seventeen seminal issues. They lay out the biblical, theological, and philosophical arguments for each position in point-counterpoint fashion and discuss possible objections. The second edition retains the helpful features of the first edition-end-of-chapter "For Further Reading" sections and an extensive glossary-and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism.
