# Flowers: The Book of Floral Design PDF

Flowers: The Book of Floral Design by Malcolm Hillier ISBN 078945954X
The flower arranger's bible from the bestselling floral designer. Simple or complex, discreet or exuberant, colorful or quiet, masses of inspired ideas fill the pages of this beautiful volume. Designs for every room in the home and every occasion are shown, from simple arrangements to brighten up your kitchen to elaborate displays for special dinner parties. Thanksgiving and other holiday themes are showcased, as are ideas for weddings and church occasions and flower gifts for birthdays, Mother's Day, and Valentine's day. Wealth Of Techniques: All practical aspects of flower design are clearly explained and illustrated, including assembling your essential kit; choosing and adapting containers; and selecting, buying, and preparing material. Step-by-step action shots guide you through all the key techniques, from making wreath bases and drying your favorite flowers to enhancing special bouquets with trimmings and wrapping. An extensive A-Z catalog of plants provides an accessible, quick-reference source that will serve both experienced arrangers and complete beginners. All plants are shown photographically to aid identification, and

essential flower arranging information is given on vase life, special attributes, and care requirements. Preserved material and other ingredients, such as shells and feathers, are also featured.
