# Technological Bluff PDF

Technological Bluff by Jacques Ellul ISBN 080283678X

The author argues that "an easily distracted consumer society is caught up in a rapidly developing, uncontrollable technological system . . . . Every problem generates a technological solution; computers breed ever larger, more fragile, and vulnerable systems. But the solutions raise more and greater problems than they solve . . . . Responsibility, contemplation, civility, and spirituality suffer." (Choice)

Technological Bluff Review
